

Date	Speaker(s)
18-Jan	Organizational Meeting
25-Jan	No Colloquium, ACS Leadership Conference
1-Feb	Dr. Richard Loomis Department of Chemistry, Washington University in Saint Louis Title: "Interrogation of the Energetics and Dynamics of Excitons Prepared Within Single Cadmium Selenide Quantum Wires"
8-Feb	Dr. Nirmol Podder, Troy University, Alabama Applicant for the Tenure Track Position in the Physics Department Title: "Shock Wave Modifications by Plasmas"
15-Feb	Dr. Usha Philipose University of Toronto, Center of Advanced nanotechnology Applicant for the Tenure Track Position in the Physics Department Title: "Semiconductor Nanowires for Nanoscale Optoelectronic Devices"
22-Feb	Associate Dean Gene Hotchkiss College of Pharmacy, University of Kansas
29-Feb	Dr. Paul Adams, Department of Chemistry and Biochemistry. The University of Arkansas. Title: "Biophysical Approaches to Characterize the Molecular Basis of Abnormal Cell Signaling Function Involving Ras-Related Proteins"
7-March	Amanuel Gebrekrsktos, Graduate Students in Chemistry , PSU
14-March	Ahmed Said, and Sha Xue Graduate Students in Chemistry, PSU
21-March	Spring Break
28-March	Dr. Susan Schroeder Ph.D. Department of Chemistry, University of Oklahoma Title " Progress Towards Predicting Encapsidated Viral RNA Structure"
4-April	Dr. Nathan Oyler, Ph.D. Department of Chemistry, The University of Missouri at Kansas City Title: "Measuring Protein Structural Features with Solid-State NMR"
11-April	Jianqi Liu, and Ye Ji, Rajib Man Shrestha Graduate Students in Chemistry, PSU
18-April	Christine M. Aikens, Ph.D. Department of Chemistry, Kansas State University Title "Enlightened Reflections: Theoretical Investigations of the Optical Properties of Metal Nanoparticles"
25-April	Karen Baker, Jake Laas Senior Students in Chemistry, PSU
2-May	Simonti Sinharoy, Nathan Dowell and Nathan Williams Senior students in Chemistry, PSU
9-May	Nisreen Shumayrikh, Ling-Wen Lai Graduate and Senior and Students in Chemistry, PSU
